# Meetings during fireworks

by [MiaQc](#)

## Summary

Simple crossover. There is a big festival with fireworks tonight. I'm going to meet some people there while looking for Usagi and Mamoru.

- A translation of [Rencontres durant feux d'artifice](#) by [MiaQc](#)

There is a big festival with fireworks tonight. I went there with Usagi and Mamoru, but there are so many people that I lost them in the crowd, so I start to look for them. The fireworks illuminate the sky.

"Excuse me?" I asked a young girl wearing an orange dress. "Have you seen a couple? A girl with blonde hair in odango and a man with short black hair?"

"No, I am sorry. I'm Zia and you are?"

"Chibiusa."

"Good luck, Chibiusa."

I say goodbye to Zia and see Alana in the distance. I join her and she is kissing her girlfriend. I blush.

"Oh, Chibiusa!" Alana exclaims. "I didn't expect to see you here."

"Neither did I. Are you lost again?"

"No, no, Jenny and I are traveling as lovers."

"That's so cool! Have you seen my friends? A girl with blonde hair in odango and a man with short black hair?"

"No." Alana replies sadly.

"Neither do I." Says Jenny. "Hey, Chibiusa, isn't that really your name?"

"Yes, why?"

Jenny holds back from laughing. Alana scolds her. I leave them and continue my search.

"Hey, Chibiusa!" Suddenly says a familiar voice.

It's Minako. I come to her. She's accompanied by two idols, Creamy Mami and Fancy Lala! The fireworks continue to illuminate the sky.

"Do you realize? Meeting them here at the festival? I'm over the moon!"

"I'm happy for you, Minako, but have you seen Usagi and Mamoru? I'm looking for them."

"Oh! No, but we can look for them together."

"That's a very good idea." Said Creamy Mami.

"We can leave you, then." Said Fancy Lala.

The two celebrities walk away from us. Minako lets out a dramatic "noooooo" and I sigh. Idols always make her a little crazy. Minako and I are looking for Usagi and Mamoru. When we find them, the fireworks and the festival are over. Mamoru was super worried about me. He had quarreled with Usagi about it, but she had kissed him to solve the problem.

"As you can see, my dear Mamo, Chibiusa is fine! Now that the festival is over, let's go home."

Mamoru sighs. I say goodbye to Minako, who also goes home, and we go back to Mamoru's apartment.

**Note:** Yes, there was a nod to [“The lost girl”](#) fanfic, since Chibiusa had met Alana before.
